

## Directions To Office

### **From New Street Station (5 minute walk):**

Leave via the Victoria Square exit and turn left. You should see the word 'Axis' on a building ahead. Walk down Navigation Street and under the flyover. Turn right, go up the slope, and then left at the shelters. The main entrance to our offices is on your left.

### **From Moor Street Station (15 minute walk):**

Leave via the main exit, cross the road and turn left. In front of you is a short tunnel, which cuts under the Bull Ring shopping centre. Walk through this, and continue along Smallbrook Queensway, past the main entrance to New Street Station. Go right at Hill Street, left into Navigation Street, and continue under the flyover. Turn right, go up the slope, and then left at the shelters. The main entrance to our offices is on your left.

### **From M6:**

Leave at Junction 6 and take the A38M to central Birmingham. Continue down this road for about two miles, making your way into the middle lane. Take the flyover and the next two tunnels. Once you emerge from the second tunnel (Queensway), move into the left hand lane and then on to the approach road to the roundabout. Go right round the roundabout. Stay on the left, and turn into the one-way street that runs past the front of the Mailbox. If you have requested a space, you may be able to park at The Axis. If not, you should use the car park off Navigation Street.

### **From M5:**

Leave at Junction 4 and take the A38 to Birmingham. Continue for about ten miles. As you approach the city centre, watch out for a McDonalds on your left. The road forks about a quarter of a mile further on. Take the left lane to the roundabout. Do not enter the underpass. Go straight on at the roundabout. Stay on the left, and turn into the one-way street that runs past the front of the Mailbox. If you have requested a space, you may be able to park at The Axis. If not, you should use the car park off Navigation Street.
