

## **Primary Authority Training:**

### **Making an Impact through your Partnership**

Are you an existing partnership manager, or are you about to take on the role for a new or established partnership? This course will help you ensure that your partnership delivers real and measurable benefits for your local authority and your business partner.

The Primary Authority scheme now boasts over 1200 partnerships, involving more than 350 businesses across different regulatory areas and this LBRO run course provides the opportunity for you to gain from the wealth of knowledge and expertise that has been generated by a wide range of local authorities in partnership with businesses of all sizes, operating in sectors from retail and hospitality to manufacturing.

This one day course consists of a mixture of presentations and workshop exercises that provides delegates with the knowledge and skills they need to deliver a successful partnership.

The course topics include:

- **Partnership management and resources: lessons learnt and ensuring a sustainable service**
- **Making an impact: primary authorities, advice and enforcing authorities**
- **Inspection plans: preparatory work, design and effective implementation**
- **Demonstrating success: achieving recognition for your partnership**

**£99 per delegate**

Places on the course are limited to 14 so please book early to avoid disappointment.
